

GETTING YOUR CAMPER TO AND FROM PRETTY LAKE

REGISTRATION:

Later in the Spring, we'll announce our official meeting space for the Summer. This is typically an elementary school in a centralized area.

Campers should be brought to Registration with a formerly designated adult between 9am and 10:45am on your scheduled Monday morning.

Once you arrive, there will be a series of check-in steps. Please be sure to bring any required medications, forms, and/or IDs.

After registration, we will bus all campers out to camp.

DE-REGISTRATION

Camper De-Reg or Camper Pickup will be at the same location as Registration.

Please be ready to pick up your camper at 3pm on your scheduled Friday afternoon.

There will be a shortened series of checkout steps.

Pickup must be done by a formerly designated adult and ID is required.
